

Timeline for Creation of Ecosystem Roundtable and Review of Category III Guidance Document and 1996 Priorities for Funding

April 25: BDAC meeting

April 26: CALFED Policy Group
Objective: Adopt CALFED Ecosystem Restoration Coordination Proposal.

May 2
Objective: CALFED agency restoration fund managers meet
 Discuss opportunities for coordination of funding priorities through CALFED Ecosystem Restoration Coordination Proposal and for coordination of funding priorities for 1996.

Mid May
Objective: Joint Calfed/stakeholder technical group meets
 Preliminary review of guidance document and start of process to get to revised package of 1996 projects. This group will set a schedule of meetings to produce final package by late June.

May 28
Objective: CALFED Management Team meets
 Approval of list of Ecosystem Roundtable members

May 29
Objective: BDAC meets
 Appoints Ecosystem Roundtable and directs them to develop 1996 priorities for Category III funding.

Mid June
Objective: Joint CALFED/stakeholder technical group meets
 Last meeting to finalize the revised list of 1996 projects and forward to Ecosystem Roundtable/CALFED Policy Group

Late June
Objective: Ecosystem Roundtable/CALFED Policy Group meets
 Review of package of 1996 projects prepared by joint CALFED/stakeholder technical group.

July 19
Objective: BDAC meets
 Review and adoption of package of 1996 projects.

If BDAC schedules a June meeting after the Ecosystem Roundtable/CALFED Policy Group meeting and the technical workgroup can meet a more aggressive schedule to provide their recommendations, then the package can be adopted at the June meeting.
